RECORD DATE

Shareholders of record at the close of business on February 28, 2008, will be entitled to vote at the Annual Meeting.

ACTION TO BE TAKEN UNDER PROXY

All properly executed proxies received by the Board of Directors pursuant to this solicitation will be voted in accordance with the shareholders' directions specified in the proxy. If no such directions have been specified by marking the appropriate squares in the accompanying proxy card, the shares will be voted by the persons named in the enclosed proxy card as follows:

- (1) FOR the election of David E. O'Reilly, Jay D. Burchfield and Paul R. Lederer, named herein as nominees for Class III Directors of the Company, to hold office until the annual meeting of the Company's shareholders in 2011 and until his successor has been duly elected and qualified; and
- (2) FOR the proposal to ratify the selection of Ernst & Young LLP as our independent auditors for the fiscal year ending December 31, 2008; and
- (3) According to their judgment on the transaction of such other business as may properly come before the meeting or any postponements or adjournments thereof.

The Board of Directors is not aware of any matter to be presented for action at the Annual Meeting other than the matters set forth herein. The shareholders of the Company have no dissenter's or appraisal rights in connection with any of the proposals described herein.

No nominee has indicated that he would be unable or unwilling to serve as a Director. However, should any nominee become unable or unwilling to serve for any reason, it is intended that the persons named in the proxy will vote for the election of such other persons in their stead as may be designated by the Board of Directors. The Board of Directors is not aware of any reason that might cause any nominee to be unavailable to serve as a Director.

VOTING SECURITIES AND VOTING RIGHTS

On February 28, 2008, there were 115,390,026 shares of Common Stock outstanding, which constitute all of the outstanding shares of the voting capital stock of the Company. Each share of Common Stock is entitled to one vote on all matters to come before the Annual Meeting, including the election of Directors.

A majority of the outstanding shares entitled to vote at the Annual Meeting, represented in person or by proxy, will constitute a quorum at the meeting. The affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote is required to elect each person nominated for Director. Shares present at the meeting but which abstain or are represented by proxies that are marked "WITHHOLD AUTHORITY" with respect to the election of any person to serve on the Board of Directors will be considered in determining whether the requisite number of affirmative votes are cast on such matter. Accordingly, such proxies will have the same effect as a vote against the nominee as to which such abstention or direction applies. Shares not present at the meeting will not affect the election of Directors.

The vote required for the other proposals described in this Proxy Statement and for any other matter properly brought before the meeting will be the affirmative vote of the majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal unless Missouri law or the Company's Restated Articles of Incorporation or Amended and Restated Bylaws require a greater vote. Shares present at the meeting that abstain (including proxies that deny discretionary authority on any matters properly brought before the meeting) will be counted as shares present and entitled to vote and will have the same effect as a vote against any such matter.

While counted for quorum purposes, shares represented by a proxy as to which there is a "broker non-vote" (for example, where a broker does not have discretionary authority to vote the shares) as to one or more matters to be voted on shall not be deemed represented at the meeting for purposes of such matter or matters and, therefore, will have no effect thereon.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" EACH OF THE CLASS III NOMINEES.

INFORMATION CONCERNING OUR BOARD OF DIRECTORS

Director Independence

Rules of the Nasdaq Stock Market (the “Nasdaq”) require that a majority of the Board of Directors be “independent,” as defined in Rule 4200 (a)(15) of the National Association of Securities Dealers listing standards (the “NASD Rule”). Under the NASD Rule, a director is independent if he or she is not an officer or employee of the Company and does not have any relationship with the Company which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has reviewed the independence of its directors under the NASD Rule. During this review, the Board considered transactions and relationships between each director or any member of his or her family and the Company including all legal and other fees paid to Husch & Eppenberger, LLC, where Joe C. Green is a partner. Consistent with these considerations, the Board has determined that Messrs. Murphy, Lederer, Rashkow, Burchfield and Greene are independent under the NASD Rule.

Family Relationships

Charles H. O’Reilly, Jr., Rosalie O’Reilly-Wooten, Lawrence P. O’Reilly and David E. O’Reilly are siblings.

Lead Director

Following the passage of the Sarbanes-Oxley Act of 2002 and in the interest of sound corporate governance, the Board has adopted a practice of appointing a Lead Director who is charged with acting as a liaison among other directors, with management and between board committees and the board. The Lead Director could also preside at board meetings in the absence of the chairman. This position improves the functionality of the Board and its Committees and aids in the fiduciary obligations each director has to the Company and its shareholders. The Corporate Governance/Nominating Committee nominated Paul R. Lederer to serve as Lead Director. The Board of Directors has approved this nomination.

Meeting Attendance

During fiscal year 2007, four regularly scheduled meetings of the Board of Directors were held. During such year, each Director, with the exception of Lawrence P. O’Reilly, attended (i) 100% of the total number of meetings of the Board of Directors held during the period for which he or she has served as a Director, and (ii) 100% of the total number of meetings held by all committees of the Board of Directors on which he or she served during the period for which he or she served. Mr. O’Reilly attended 75% of the total number of meetings of the Board of Directors held during the period for which he served as a Director.

Committees of the Board

The Board of Directors has three standing committees, the Audit Committee, the Compensation Committee and the Corporate Governance/Nominating Committee. Each committee is governed by its own charter and is comprised solely of independent directors in accordance with the Nasdaq Stock Market Listing Qualifications. Charters for each committee are available on the Company’s website at www.oreillyauto.com, and can be obtained free of charge by written request to the attention of the Secretary at the Company’s address appearing on the first page of this proxy statement or by telephone at (417) 862-2674.

Audit Committee

The Audit Committee currently consists of Messrs. Murphy (Chairman), Lederer and Rashkow. The Board has determined that each member of the Audit Committee is “independent” pursuant to the NASD Rule, as well as the independence requirements for audit committee members under Rule 10A-3 promulgated under the Exchange Act. In addition, the Board has determined that Mr. Murphy, a member of the Audit Committee, is qualified as an audit committee financial expert, as that term is defined in the rules of the Securities and Exchange Commission. The Audit Committee recommends the engagement of independent auditors, confers with the external auditors regarding the adequacy of our financial controls and fiscal policy and directs changes to financial policies or procedures as appropriate. During fiscal year 2007, eight Audit Committee meetings were held.

Compensation Committee

The Compensation Committee consists of Messrs. Burchfield (Chairman), Lederer and Rashkow. The purpose of the Compensation Committee is to act on behalf of the Board of Directors with respect to the establishment and administration of the policies which govern the annual compensation of the Company’s executive officers. The Compensation Committee also administers the Company’s stock option

and other benefit plans. The Compensation Committee utilizes third party compensation survey data and has engaged outside advisors and consultants in the past and will do so in the future in order to achieve its goal of attracting and retaining executive officers who contribute to the long-term success of the Company. During fiscal year 2007, four Compensation Committee meetings were held.

Corporate Governance/Nominating Committee

The Corporate Governance/Nominating Committee consists of Messrs. Greene (Chairman), Murphy and Burchfield. The principal purposes of the committee are: (1) to establish criteria for the selection of Directors and to recommend to the Board the nominees for Director in connection with the Company's annual meeting of shareholders; (2) to take a leadership role in shaping the Company's corporate governance policies and to issue and implement the Corporate Governance Principles of the Company; (3) to develop and coordinate annual evaluations of the Board, its committees and its members; and (4) to adhere to all legal standards required by the Securities and Exchange Commission and The Nasdaq Stock Market. During fiscal year 2007, four Corporate Governance/Nominating Committee meeting were held. Our Corporate Governance Principles may be viewed along with the Corporate Governance/Nominating Committee Charter at www.oreillyauto.com.

The Corporate Governance/Nominating Committee does not have a written policy on the consideration of director candidates recommended by shareholders. It is the view of the Board of Directors that all candidates, whether recommended by a shareholder or the Corporate Governance/Nominating Committee, shall be evaluated based on the same established criteria for persons to be nominated for election to the Board and its committees. The established criteria for persons to be nominated for election to the Board and its committees, taking into account the composition of the Board as a whole, at a minimum, includes (a) a candidate's qualification as "independent" under the federal securities laws and the rules and regulations of the Securities and Exchange Commission and Nasdaq applicable to the Board and each of its committees; (b) depth and breadth of experience within the Company's industry and otherwise; (c) outside time commitments; (d) special areas of expertise; (e) accounting and finance knowledge; (f) business judgment; (g) leadership ability; (h) experience in developing and assessing business strategies; (i) corporate governance expertise; (j) risk management skills; and (k) for incumbent members of the Board, the past performance of the incumbent director. The Nominating and Governance Committee's methods for identifying candidates for election to our Board include the solicitation of possible candidates from a number of sources, including from members of our Board, our executives, individuals personally known to the members of our Board and other research. The Board believes it is best qualified to identify and evaluate candidates based on its knowledge of the Company's business structure; however, the Nominating/Governance Committee may also retain one or more third-party search firms to identify suitable candidates.

A shareholder who desires to nominate one or more persons for election as directors shall deliver "timely notice" (as defined in Section 12, Article II of the Company's Bylaws) of the shareholder's intent to make such nomination or nominations, either by personal delivery or by United States mail, postage prepaid, to the Secretary of the Company at the Company's address appearing on the first page of this proxy statement. Such notice shall set forth: (a) the name and address of record of the shareholder who intends to make the nomination; (b) the class and number of shares of the capital stock that are beneficially owned by the shareholder on the date of such notice; (c) the name, age, business and residential addresses, and principal occupation or employment of each proposed nominee; (d) a description of all arrangements or understandings between the shareholder and each nominee, and other arrangements or understandings known to the shareholder, pursuant to which the nomination or nominations are to be made by the shareholder; (e) any other information regarding each proposed nominee that would be required to be included in a proxy statement filed with the Securities and Exchange Commission; and (f) the written consent of each proposed nominee to being so named and to serve as a director of the Company. The presiding officer of a meeting may, if the facts warrant, determine at the meeting that a nomination was not made in accordance with the foregoing procedure, and if he or she should make that determination, he or she shall so declare at the meeting, and the defective nomination shall be disregarded.

Certain Business Relationships

Joe C. Greene, a director of the Company and a member of the Corporate Governance/Nominating Committee, is a partner in the law firm of Husch & Eppenberger, LLC, which has provided legal services to the Company and is expected to provide legal services to the Company in the future. We believe that the terms of the legal services provided by Mr. Greene are no less favorable to the Company than those that would have been available to the Company in comparable transactions with unaffiliated parties.

Director Attendance of Annual Meeting

It is our policy that members of the Board of Directors are not required to attend the Annual Meeting of Shareholders. However, all members of the Board of Directors, with the exception of Lawrence P. O'Reilly, attended the Company's 2007 Annual Meeting of Shareholders.

Compensation of Directors

In 2007, each of the non-employee or non-consultant members of our board of Directors received an annual fee of \$30,000 and was paid \$2,500 for each Board meeting attended. Each member of the Audit Committee was paid an additional \$1,000 for each Audit Committee meeting attended that was not scheduled in conjunction with a meeting of the full Board. In addition, the Chairman of our Audit Committee received an annual fee of \$5,000 and the Compensation Committee Chairman and the Corporate Governance/Nominating Committee Chairman each received an annual fee of \$2,500. We also reimburse directors for out-of-pocket expenses incurred in connection with their attendance at Board and Committee meetings. Directors' fees in the aggregate amount of \$222,000 were paid during 2007.

As an incentive for recruiting and retaining qualified directors, we also maintain a director's stock option plan. This plan provides for an automatic annual grant to each director who is not an employee or consultant of the Company of a non-qualified stock option to purchase 5,000 shares of common stock at a per share exercise price equal to the fair market value of the common stock on the date the option is granted. Traditionally, this annual grant has occurred on the anniversary of the date of our initial public offering. Director stock options vest fully in six months after the date of grant. If a director ceases to be a director for any reason other than retirement, death or disability or seven years after the date on which the option is granted, whichever first occurs, any unexercised options will immediately expire. Each of the Company's five non-employee non-consultant directors in 2007 were granted options during the year to purchase 5,000 shares of common stock under such plan at an exercise price of \$34.84 per share.

The following table details the compensation paid to non-employee directors for the fiscal year ended December 31, 2007:

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

The Compensation Committee of our Board of Directors is responsible for recommending to the Board of Directors compensation packages and specific compensation levels for our executive officers and other management team members, establishing policies and guidelines for other benefit programs and administering the award of stock options and other stock-based incentives under our Amended and Restated O'Reilly Automotive, Inc. 2003 Incentive Plan and Amended and Restated O'Reilly Automotive, Inc. 2003 Director's Stock Plan.

The policies and procedures of the Compensation Committee are designed to assist our Board of Directors in its oversight of the implementation and effectiveness of our policies and strategies regarding the investment in our biggest asset, our people. These strategies and policies include, but are not limited to:

- recruiting and retaining qualified team members;
- the career development and progression of our team members;
- management succession, in conjunction with our Corporate Governance/Nominating Committee; and
- employment practices.

The main objective of our compensation philosophy is to provide our executive officers and management with a total compensation package that is competitive and equitable, which encourages and rewards performance based in part upon the Company's performance in terms of increases in share value. We believe that aligning the interests of our executives and management with those of our shareholders further promotes the success of not only the Company, but also our team members.

Overview of Our Compensation Programs

The key elements of the compensation packages for our executive officers are base salary, annual cash bonuses and long-term, stock-based incentives. In determining the composition of elements in each compensation package, the Compensation Committee looks to create a balanced reward, utilizing both market-driven influences and external compensation benchmarks as well as current cash considerations. To ensure that the Company thrives in the competitive working environment, the Compensation Committee consults industry resources, references and benchmarks to determine competitive market ranges and reasonable levels of compensation.

In reviewing the compensation packages of each of our executives and management, the Compensation Committee tallies the corresponding dollar value of each element of an individual's compensation, including salary, bonus, accumulated realized and unrealized stock option gains, the dollar value to such individual and cost to the company of all perquisites and other personal benefits, the earnings and accumulated payout obligations under the company's non-qualified deferred compensation program and under several potential severance and change in control scenarios. The Company's Human Resources department provides the Committee with industry benchmark information and compensation survey data. For new appointments to executive management, the Company's management presents compensation recommendations to the Committee for consideration.

Base Salary

In determining annual base salary, it is the Compensation Committee's goal to bring our executives and management in line with base compensation being paid by our competitors. The Compensation Committee specifically reviews compensation information for other publicly traded automotive aftermarket companies and compensation surveys and data for other retailers. The Compensation Committee believes that our principal competitors for executive management are not necessarily the same companies that would be included in a peer group compiled for purposes of comparing shareholder returns. Consequently, the companies that are reviewed for such compensation purposes may not be the same as the companies comprising The Nasdaq Retail Trade Stock Price Index included in the Annual Shareholders' Report of the Company for fiscal 2007 that accompanies this Proxy Statement.

Bonuses

The Compensation Committee has established a bonus plan for our Chairman of the Board, Chief Executive Officer, Chief Operating Officer and Chief Financial Officer based upon certain objective performance goals. Upon achievement of such performance goals, these executive officers receive a bonus based upon a percentage of their respective base salaries for the attainment of a defined performance goal. The Compensation Committee has designed these performance goals to address multiple facets of financial performance, including

sales performance, operating income performance, financial returns and various balance sheet measures. Our actual performance in each of these areas is compared to the targets pre-determined by the Committee, in order to determine the bonus amount achieved by each executive officer. The targets are determined by reviewing the performance of industry peers and other comparable companies, our historical performance and trends in the automotive aftermarket and retail industry. Targets are set forth in ranges with a corresponding bonus percentage for each level of attainment. Achievement of targets is measured individually for each target, and bonuses are paid accordingly.

Bonuses awarded to all other senior management are based upon each individual's contribution, responsibility and performance during the year as well as the attainment of certain company performance goals and are intended to provide compensation at market levels when target performance is achieved and higher than market levels when outstanding financial and operating results are achieved. We believe that bonuses are an important component of total compensation and are a key component to motivate our executives and management to achieve our near-term performance targets.

Long-Term, Stock-Based Incentives

We offer long-term incentives for senior executives and management in the form of stock option awards. Stock options may be awarded to our Chief Executive Officer, our named executive officers, upper- and middle-managers, store managers and other key personnel.

We believe that our stock option award programs are an important component of compensation as an incentive for long-term corporate performance. The Compensation Committee has determined that the annual grant of stock options to our Chairman of the Board, Chief Executive Officer, Chief Operating Officer and Chief Financial Officer is a key component of such executive's total compensation packages based on their duties. The amounts of such grants are determined by the Committee annually in conjunction with performance reviews and salary adjustments during the February Compensation Committee meeting. In determining whether and how many stock options should be granted, the Committee considers the responsibilities and seniority of each of the executives, as well as our financial performance and other factors as it deems appropriate, consistent with our compensation philosophy and policies.

In the past, the Compensation Committee has reviewed and considered using other equity-based incentives for the long-term compensation component. After a thorough analysis, including the use of a national consulting firm, stock options were considered the most effective method of aligning management interests with those of shareholders.

The Compensation Committee has also established specific awards to be granted upon the achievement of certain defined positions of employment. These are automatic grants that occur on the date of promotion or appointment to such positions with an option price equal to the fair market value of the common stock underlying the option on such date. It is our belief that these position-related grants provide additional incentive to our executives, management and team members to set personal long-term employment goals. In furtherance of this belief, we also have a team member stock purchase plan that enables team members to purchase our common stock at a discount through payroll deductions and a 401(k) plan under which team members can invest in our common stock.

Other

The Company sponsors a 401(k) Profit Sharing and Savings Plan ("401(k) Plan") that allows team members to make plan contributions on a pre-tax basis. The Company matches 100% of the first 2% of the team member's compensation, and 25% of the next 4% of the member's compensation. Although Executive Officers are eligible to participate in the 401(k) plan, the application of the annual limitations on contributions under Section 401(a) (17) of the Internal Revenue Code prevents highly compensated employees, as defined by the Internal Revenue Code, from participating at the same levels as non highly compensated employees. The O'Reilly Automotive Deferred Compensation Plan ("Deferred Comp Plan") provides executives who participate in the 401(k) Plan with the opportunity to defer up to the full 6% of covered compensation by making contributions to the Deferred Comp Plan that are then matched by the Company as if they had been made under the 401(k) Plan. The Deferred Comp Plan is intended solely to restore contributions lost because of application of the annual limitations under the Internal Revenue Code that are applicable to the 401(k) Plan. This benefit, which assists Executives in accumulating funds for retirement, is consistent with observed competitive practices of similarly situated companies.

It is our policy to have the compensation paid to our Chairman of the Board, Chief Executive Officer, Chief Operating Officer, Chief Financial Officer and other named executive officers qualify as performance-based and deductible for federal income tax purposes under Section 162(m) of the Internal Revenue Code. We have structured our incentive plans so that bonuses and stock options are fully deductible.

Change in Control Agreements

The Company has entered into change in control agreements with the Executive Officers, which become effective only upon a Change in Control. Under the agreements, a Change in Control is deemed to occur if:

- A third party becomes beneficial owner of 40% or more of the Company's common stock
- There is a majority change in the number of directors which causes at least two thirds of the Board of Directors to consist of new directors that were not nominated by the Company
- The Company engages in a merger or consolidation where the Company would fail to hold at least 60% of the combined voting power of the securities of the surviving entity
- The stockholders of the Company approve a plan of complete liquidation or dissolution of the Company

If upon or within six months after a Change in Control, any of the Executive Officers with a valid change in control agreement terminates their employment for "Good Reason" or such Executive's employment is terminated by the Company without "Cause" or by reason of death or disability, then the Executive will be entitled to:

- An amount equal to one times the Executive's annual salary
- Immediate vesting and exercisability of all outstanding stock options, restricted stock or other equity or equity-based award
- All accrued but unpaid bonus including any unpaid annual bonus earned in previous years and a prorated portion of current year target bonus
- Continuation of insurance coverage for 18 months
- A gross-up payment for excise taxes
- All Executive legal fees and expenses incurred in disputing the termination of the Executive's employment

Employment Arrangements with Executive Officers

The Company entered into a written employment agreement effective January 1, 1993, with David E. O'Reilly. Such agreement provides for Mr. O'Reilly to be employed by the Company for a minimum period of three years and automatically renews for each calendar year thereafter. As compensation for services rendered to the Company, the agreement provides for Mr. O'Reilly to receive (i) a base annual salary adjusted annually, and (ii) a bonus, the amount of which is determined by reference to such criteria as may be established by the Compensation Committee.

Mr. O'Reilly's employment may be terminated by the Company for cause (as defined in the agreement) or without cause. If Mr. O'Reilly's employment is terminated for cause or if Mr. O'Reilly resigns, his salary and bonus rights will cease on the date of such termination or resignation. If the Company terminates Mr. O'Reilly without cause, all compensation payments will continue through the remainder of the agreement's term. Pursuant to his agreement, Mr. O'Reilly has agreed for so long as he is receiving payments there under to refrain from disclosing information confidential to the Company or engaging, directly or indirectly, in any automotive parts distribution, manufacturing or sales business in the states in which the Company operates without prior written consent of the Company.

The following table shows the annual compensation paid to or earned by the Executive Officers for the fiscal years ended December 31, 2007 and 2006:

- (a) Includes portion of salary deferred at named executive's election under the Company's Profit Sharing and Saving Plan.
- (b) Compensation received by Mr. McFall reflects the vesting of stock awards granted to him under the Company's Performance Incentive Plan ("PIP") in 2006. All shares awarded under the PIP vest in equal installments over a three-year period commencing on the first anniversary of the award and are based on the achievement of certain performance goals.
- (c) Compensation received by Mr. Shaw reflects the vesting of stock awards granted to him under the Company's Performance Incentive Plan ("PIP") in 2005, 2006 and 2007. All shares awarded under the PIP vest in equal installments over a three-year period commencing on the first anniversary of the award and are based on the achievement of certain performance goals.
- (d) Compensation received by Mr. Shaw reflects the vesting of stock awards granted to him under the Company's Performance Incentive Plan ("PIP") in 2004, 2005 and 2006. All shares awarded under the PIP vest in equal installments over a three-year period commencing on the first anniversary of the award and are based on the achievement of certain performance goals.
- (e) Option awards granted to the named executive officers become exercisable with respect to 25% of the covered shares one year from the date of grant; 50% exercisable two years from the date of grant; 75% exercisable three years from the date of grant and the remainder become exercisable four years from the date of grant. The amounts recognized in the above table reflect the amounts recognized as compensation expense in the Company's Annual Report on Form 10-K for the fiscal years ended December 31, 2006 and 2007 in accordance with Statement of Financial Accounting Standards No. 123R, *Share-Based Payment* ("SFAS No. 123R"). In conjunction with the provisions of SFAS 123R, the Company amortizes compensation expense for the grant date fair value of option awards evenly over the vesting period under the straight-line method. However, in circumstances where the service period for an option award is nonsubstantive because of an award's eligibility for immediate vesting under the retirement provisions of the plan, the Company recognizes compensation expense evenly over the substantive service period. The awards granted to Mr. O'Reilly and Mr. Wise in 2006 and 2007 are eligible for immediate vesting upon their retirement provided that they provide notice of their intent to retire one year prior to their retirement date. As such, the option award compensation reflected in the table above for Mr. O'Reilly and Mr. Wise reflects the amortization of the grant date fair value over a substantive service period of one year.
- (f) Includes Company contributions of \$13,920, \$16,455, \$12,866, \$6,821 and \$5,184 to its Profit Sharing and Savings Plan and Deferred Compensation Plan made on behalf of David O'Reilly, Gregory Henslee, Ted Wise, Thomas McFall and Jeff Shaw, respectively.
- (g) Includes Company contributions of \$15,450, \$14,442, \$12,671, \$154 and \$5,567 to its Profit Sharing and Savings Plan and Deferred Compensation Plan made on behalf of David O'Reilly, Gregory Henslee, Ted Wise, Thomas McFall and Jeff Shaw, respectively. The amount reflected for Thomas McFall also includes \$83,662 in relocation expenses paid in conjunction with his hiring and relocation to Springfield, Missouri.

Certain Relationships and Related Transactions

The Company leases 69 store locations from one of two real estate investment partnerships and a limited liability corporation formed by the O'Reilly family. David E. O'Reilly, Lawrence P. O'Reilly, Charles H. O'Reilly, Jr. and Rosalie O'Reilly-Wooten, their spouses, children and grandchildren each hold a beneficial interest in such partnerships or the limited liability company. The Company has entered into separate master lease agreements with each of the affiliated real estate investment partnerships and the limited liability company for the store locations covered thereby. The master leases generally provide for payment of a fixed base rent, payment of certain tax, insurance and maintenance expenses and original terms of six to fifteen years, subject to one or more renewals at the Company's option. The original term of the master lease agreements with the real estate investment partnerships expired in December 2004 and has been renewed by modifications to the master lease agreements that extend the term of the lease for each individual property under the lease. The terms of these modifications expire on dates ranging from October 31, 2008 to December 31, 2029. The term of the master lease with the limited liability company expires on either December 31, 2013 or August 31, 2016. The total aggregate rent payments paid by the Company to the partnerships and the limited liability company was \$3,446,000 in fiscal 2007. The Company believes that the terms and conditions of the transactions with affiliates described above were no less favorable to the Company than those that would have been available to the Company in comparable transactions with unaffiliated parties.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers and Directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Such individuals are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. To our knowledge, based solely on our review of the copies of such forms furnished to us and written representations with respect to the timely filing of all reports required to be filed, we believe that such persons complied with all Section 16(a) filing requirements applicable to them with respect to transactions during fiscal 2007 with the following exceptions: Charles H. O'Reilly, Jr. redeemed certain shares of an exchange fund on December 21, 2006 that were not reported until May 24, 2007. Lawrence P. O'Reilly and David E. O'Reilly redeemed certain shares of an exchange fund on April 12, 2007 that were not reported until May 24, 2007. Rosalie O'Reilly-Wooten redeemed certain shares of an exchange fund on April 24, 2007 that were not reported until May 24, 2007. Lawrence P. O'Reilly, David E. O'Reilly, and Charles H. O'Reilly, Jr. delivered shares to settle Variable Prepaid Forward contracts on May 30, 2007 that were not reported until June 7, 2007. Rosalie O'Reilly-Wooten sold certain shares indirectly held as trustee of a revocable trust for the benefit of her child from August 20, 2007 through August 24, 2007 that were not reported until September 21, 2007.

PROPOSAL 2 – RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has selected Ernst & Young LLP as our independent auditors for the year ending December 31, 2008, and has further directed that management submit the selection of independent auditors for ratification by the shareholders at the annual meeting. Ernst & Young LLP has audited our financial statements since 1992. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

None of our Bylaws, our other governing documents, Missouri or federal law or The Nasdaq Global Select Market Listing Qualifications require shareholder ratification of the selection of Ernst & Young LLP as our independent auditors. However, the Audit Committee is submitting the selection of Ernst & Young LLP to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and our shareholders.

Fees Paid to Independent Auditors

The following is a summary of fees billed by Ernst & Young LLP for audit and other professional services during the years ended December 31:

	<u>2007</u>	<u>2006</u>
Audit Fees:		
Consists of fees and expenses billed for the audit of O'Reilly's consolidated financial statements for such year, the audit of the effectiveness of internal control over financial reporting and for the review of O'Reilly's quarterly reports on Form 10-Q.....	\$ 932,907	\$ 843,541
Audit-Related Fees:		
Consists of fees and expenses billed for the annual audit of the Company's employee benefit plan, consultations regarding the Company's S-8 filing dated August 29, 2006 and synthetic lease renewal dated September 28, 2007	60,170	26,450
Tax Fees:		
Consists of fees and expenses billed for tax advisory services, including compliance, planning and consultations regarding FIN 48 adoption and operational realignment.....	<u>286,853</u>	<u>144,639</u>
Total Fees	<u>\$ 1,279,930</u>	<u>\$ 1,014,630</u>

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee has delegated to the Chairman of the Audit Committee authority to approve permitted services, provided that the Chairman reports any decisions to the Committee at its next scheduled meeting.

The Audit Committee, after review and discussion with Ernst & Young LLP of the preceding information, determined that the provision of these services was compatible with maintaining Ernst & Young LLP's independence.

Ratification of Independent Auditors

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of Ernst & Young LLP.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE PROPOSAL TO RATIFY THE SELECTION OF ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2008.
